The 29 Palms Artists' Guild is the longest-standing nonprofit arts organization in the Morongo Basin, founded in 1951-52, and has owned/operated the historic adobe 29 Palms Art Gallery since 1963. Each year the gallery receives a number of applications from artists and curators for the upcoming exhibition season (September to August). Numerous factors are entailed in the exhibition decision-making process, among them selecting the highest quality art, and planning a variety of exhibitions that will complement each other over the course of the year and serve the diverse artistic community.
